

## Affidavit of Public Notification

I, **David Williams**, of 15944 W. Cameron Drive, Surprise, Arizona 85379, hereby affirm the following under oath:

1. I affirm that, in compliance with ARS § 27-1271(B)(13), I undertook the necessary public notification procedures outlined in the references Arizona State Statutes, based on address and owner data obtained from the Mohave County, Arizona Assessor's Website as of November 17, 2024 related to the project located at parcel 215-25-006.
2. On November 17, 2024, I sent out a public notification mailing in accordance with the statute via a mail provider (click2mail), which included:
  - Notification to all properties within a 1/2-mile radius of the site, measured from the perimeter of the property, as per the statutory requirements.
  - Mailing was done via first class mail.
  - A notification card addressed to W3 Planning and Research, LLC, was also sent to the address listed above to verify the successful completion of the mailing.
  - A webpage was created and published containing the reclamation plan and other details as indicated on the mailing notification.
    - The address is [www.w3planning.org/conroc-ready-mix](http://www.w3planning.org/conroc-ready-mix)
3. This notification mailing included the required details, including contact information for W3 Planning and Research, LLC., designated as the point of contact for any questions related to the reclamation plan.
4. A copy of the notification card is included in this affidavit.

I affirm, under penalty of perjury, that the above statements are true and correct to the best of my knowledge.

## Notice of Public Outreach – Mine Reclamation Plan

**Site Location:**

Parcel # 215-25-006  
Approx 5 miles SW of Kingman off of Ramon and  
Ramada, about 1/4 mile north of Oatman Highway

**Case Name:**

ConRoc Ready Mix, LLC.

**Comments due no later than December 20, 2024**

**Dear Property Owner:**

This notice is to inform you related to the review and consideration of a mine reclamation and closure plan for a proposed aggregate mine on a 39.42 acre site located at the referenced location in accordance with Arizona State Law. The reclamation plan helps guide how the mine will be closed and reclaimed when the site is no longer feasible for mining aggregate and is a requirement of State Law.

We are seeking technical comments on the proposed plan. Materials and more information on the proposed plan can be found at the web address below or by requesting a copy from the Arizona State Mine Inspector.
